Arrow Electronics (UK) Ltd Environmental policy

ENVIRONMENTAL POLICY STATEMENT

Arrow Electronics (UK) Ltd is committed to minimising the impact of its operations on the environment. This is principally achieved by the maintenance and operation of an Environmental Management System designed to meet the requirements of ISO14001.

By identification, assessment and review of any significant environmental impacts of its operations and the subsequent setting of associated objectives and improvement targets, Arrow Electronics (UK) Ltd is committed to a program of continual improvement of its environmental performance and prevention of pollution. In doing so, Arrow Electronics (UK) Ltd will comply with all relevant environmental legislation, industrial regulations, codes of practice and any other requirements in relation to the scope of the standard.

This policy is communicated to all company employees and is available to other interested parties on request. It is the responsibility of all staff to comply with the relevant procedures and practices in order to ensure that the objectives and policies of this statement are fully realised
